Trinity Crawford Bio

Channel 7 Young Achiever of the Year Award Semi-Finalist

Trinity lives in Sutherlands Creek, Golden Plains Shire and has recently completed her VCE studies at Clonard College.

Trinity has been a member of Council's Youth Committee since 2016 and is incredibly community minded for a young person. She has been involved in a variety of projects that have allowed her to connect and give back to her community including:

- *Public Art Mural (2016)* – Floor to ceiling mural in the Bannockburn Cultural Centre Youth Lounge
- *People of Golden Plains (2016)* – A project designed to improve social connections through storytelling
- *Tech, Tea and Tales (2017)* – Intergenerational Program which employed local young people to teach elderly residents how to use technology.
- *Youth Empowerment Roadshow (2017)* – Large scale youth survey delivered across Golden Plains Shire and City of Greater Geelong
- *Golden Plains Youth Committee (2016 - Current)* – Group of community minded young people who organise local events for local young people.

Trinity is an aspiring photographer with a passion for capturing the local Golden Plains environment. Trinity was instrumental in the design and installation of a floor to ceiling mural at the Bannockburn Cultural Centre Youth Lounge with Council using several of her images for promotion of the Shire.

Being the eldest of four children Trinity has an innate sense of care, patience and empathy that is constantly on display. Trinity is confident to stand up for what she believes in and is quite often the voice of reason within our Youth Committee. She has a mature and measured view of society and is always looking for opportunities to give back to her friends, siblings and/or community.

Trinity is a selfless young woman with a beautiful soul and a smile that lights up a room. Trinity has become a leader within our Youth Committee and provides the voice and advocacy for those in our community who don't have the platform.

Trinity works collaboratively with all members of our community and is the consummate teammate. She is reliable, hardworking and community minded, the quintessential volunteer.

Trinity sees the person, not the agenda. It is for this reason that Trinity will become an inspiring and effective leader in our community. Trinity may not see it in herself but she is a natural and emerging leader.
