President Welcome

National General Assembly
14 - 17 June 2020

Dear Colleagues,

I'm delighted to invite you to the **2020 National General Assembly of Local Government at the National Convention Centre in Canberra from 14 to 17 June.**

The theme for our 26th NGA is *Working Together For Our Communities* which acknowledges that we cannot tackle major challenges which face our communities by acting alone. We need to work together as a sector, with other levels of government and with non-government partners.

We've seen the truth of that in the bush fires that have ravaged so much of Australia over the past spring and summer.

Councils have stepped up to lead and offer help in so many ways, showing the power of working together.

Councils have also shown resilience in action during the bushfire crisis, and ongoing drought.

Community resilience is one of the topics we'll be exploring at length during our NGA.

We'll hear from professionals and council elected members about the ways they're developing and strengthening resilience in their communities, and how their insights can be applied in your council.

You'll also learn from leading practitioners who'll share their expertise about a range of topics encompassing community engagement and crowd-powered communities.

In short, leaders who are keen to help us all work together for our communities.

We hope you'll join as for the 2020 NGA, the premier gathering of Local Government representatives in Australia.

It's a unique event that brings together councils, staff and industry to advocate, network, celebrate, learn and build strategic relationships that will position participants at the forefront of local governance.

Will you join us?
