6 PUBLIC QUESTION TIME

The Mayor made the following statement:

"Public question time runs for 30 minutes prior to consideration of the formal Agenda by Council. We consider questions received with notice from the public. I will call each person who submitted a question with notice forward. Please come up to the Chair and ask your question as it was submitted. I note that question time is not an opportunity to make general statements or enter into debate with Council or officers."

The following public question was read by Graham Turnbull.

Question

"Now that we've purchased the church, what is the intended use going to be?"

Response

The following response was read by Eric Braslis, CEO:

"As you know on 30th July Council purchased a property at 66 Brooke Street, Smythesdale which includes the St Mary's Church at public auction. The property is located adjacent to The Well where we are meeting tonight. This is Council's facility not only to our Customer Hub but also to our Maternal Child Health services, library outreach services, community rooms, the Digital Hub, pharmacy and medical centre. Noting the growth of Smythesdale and the surrounding communities, Council recognises the acquisition of this land as being a strategic opportunity for the future. Following finalisation of the purchase, Council will explore future options for the property. At this early stage, Council does not have specific plans for the church, however it is noted that the site is covered by a heritage overlay. Council will in the future, as part of its decision making process, likely have decisions made in consultation with the broader community."
