

## HAVE YOUR SAY: DRAFT FAIR ACCESS POLICY

Golden Plains Shire Council has developed a draft Fair Access Policy (the Policy) which has been endorsed for public exhibition following the 23 April Council meeting.

This initiative follows the recent introduction of the Fair Access Policy Roadmap by the Victorian Government, marking an Australia-first policy designed to improve access to community sports infrastructure for women and girls.

Starting from 1 July 2024, all Victorian Councils are required to develop and adopt a Fair Access Policy to be considered eligible to receive Victorian Government and recreational infrastructure funding. This Policy aims to ensure that women and girls have equal opportunities to fully participate in and enjoy the benefits of community sports, with fair access to their local facilities.
