

HOW TO USE THE WASTE & RECYCLING CALENDAR 2025

CHECK YOUR COLLECTION DAY

Check the map to locate your coloured zone. Your zone indicates the day of the week your bins will be collected. If you cannot find your township on the map or are unsure which zone your property falls under, please contact the Council's Customer Experience Team at 5220 7111.

CHECK WHICH BINS ARE SCHEDULED FOR COLLECTION EACH WEEK

Once you identify your collection day, your bins will always be collected on that same day each week. Be sure to place your bins out the night before your collection day, or before 6am on the scheduled day.

To determine which bin to put out, refer to the calendar. Each date will display a colour that corresponds to the bin you need to place out:

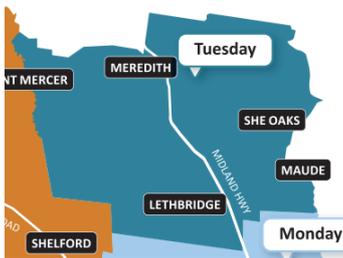

Red: General waste bin (your general waste bin make have a maroon or dark green lid depending on where you live)

Yellow: Mixed recycling bin

Yellow & Purple: Mixed recycling and glass bins

Example:

If you live in Meredith, your zone is coloured blue and your bins will be collected on Tuesdays.

The calendar shows that blue is the collection day for Tuesdays:
