I, CouncillorGavin Gamble..... give notice of my intention to move at the Scheduled Meeting of Council to be held on22/04/2025,..... that:

Wording of proposed motion:

Council undertakes the following actions as a priority to improve vulnerable road user safety in Teesdale and other townships:

1. Council officers investigate options and produce a report with recommendations to Council pertaining to the potential introduction of pedestrian awareness and traffic calming signage for vehicle drivers in Golden Plains town localities with schools. Priority should be given to vulnerable users: particularly concerning bus zones, children and seniors crossing, school crossings; shop areas, educational and care facilities, etc....
2. Council officers to report to Council on the steps required to prepare a Road Safety Strategy for Golden Plains Shire referencing the Victorian Road Safety Strategy and Action Plan. The proposed strategy is to provide priorities for advocacy on: pedestrian and vulnerable road user safety; traffic calming; speed zones and limits; and reducing wildlife/vehicle collisions. The development of a Golden Plains Road Safety Strategy is to include the undertaking of deliberative engagement with individual township communities and the general community.
3. The Golden Plains Road Strategy (2010) be updated.
4. Council writes to the Department of Transport and Planning, specifically Mellissa Horne, Minister for Roads and Road Safety, requesting an urgent review of speed limits and safety concerns in Teesdale and the need to identify endemic safety issues (noting a review of speed limits in the Teesdale Township zone is supported by both Council and the Department of Transport and Planning).
5. Council prioritises the implementation of a safe pedestrian crossing for Teesdale, as soon as practicable, recognising its immediate function to provide a safer pedestrian crossing for the many vulnerable road users who cross at this point, but also its further benefit as traffic calming infrastructure and increasing driver awareness of the township zone.

Additionally, Council note and thank the Teesdale Community Coordinators (as the appropriate representative and engagement group) who have been prioritising and advocating for action on pedestrian traffic safety concerns in Teesdale since 2009. Council also note and thank the many individuals who have raised concerns over many years and the past advocacy by Council officers.

**Reasoning for proposed motion:**

For Council to receive expert advice and to initiate a strategic, considered and managed engagement with communities and residents to determine advocacy priorities, strategies and actions that will improve road safety for vulnerable users.

To improve road safety for all road users (pedestrians of all ages, cyclists, emobility device users) in Teesdale and other towns in the Golden Plains Shire.

To address the long-standing concerns and fears of Teesdale residents for younger, senior and impaired members of the community in particular.

To increase liveability in the towns where we live.

To provide a pathway and recommendations for Federal and and State Government support.

To achieve relatively immediate and realistic actions as well as long term and strategic actions.

I commend this Notice of Motion to Council.
