1. Legislative Requirements

This section describes how the Long-Term Financial Plan 2021/22-2030/31 (Financial Plan) links to the achievement of the Golden Plains Community Vision 2040 (Community Vision) and the Council Plan 2021-2025 (Council Plan) within the Integrated Strategic Planning & Reporting Framework. This framework guides the Council in identifying community needs and aspirations over the long-term (Community Vision), medium-term (Council Plan) and short-term (Annual Budget), and then holding itself accountable (Annual Report).

The following diagram provides an overview of the core legislated elements of an integrated strategic planning and reporting framework and outcomes.

Source: Department of Jobs, Precincts and Regions

The following figure demonstrates how each element may inform, or be informed by, other parts of the integrated framework.

Source:
Department of Jobs, Precincts and Regions

1.1 Strategic Planning Principles

The Financial Plan provides a 10-year financially sustainable projection regarding how the actions of the Council Plan may be funded to achieve the Community Vision. The Financial Plan is developed in the context of the following strategic planning principles:

- Council has an integrated approach to planning, monitoring and performance reporting.
- Council's Financial Plan addresses the Community Vision by funding the aspirations of the Council Plan. The Council Plan aspirations and actions are formulated in the context of the Community Vision.
- The Financial Plan statements articulate the financial resources necessary over the next 10 years to implement the goals and aspirations of the Council Plan to achieve the Community Vision.
- Council's strategic planning principles identify and address the risks to effective implementation of the Financial Plan. The financial risks are included at section 1.2.2 below.
- The Financial Plan provides for the strategic planning principles of progress monitoring of progress and reviews to identify and adapt to changing circumstances.

1.2 Financial Management Principles

The Financial Plan demonstrates the following financial management principles:

- 1.2.1 Revenue, expenses, assets, liabilities, investments and financial transactions are managed in accordance with Council's financial policies and strategic plans.
- 1.2.2 Management of the following financial risks:
 - a) the financial viability of the Council (refer to section 2.1 Financial Policy Statements).
 - b) the management of current and future liabilities of the Council. The estimated 10-year liabilities are disclosed in section 3.2 Balance Sheet projections.
 - c) the beneficial enterprises of Council (where appropriate).
- 1.2.3 Financial policies and strategic plans are designed to provide financial stability and predictability to the community.
- 1.2.4 Council maintains accounts and records that explain its financial operations and financial position (refer section 3 Financial Statements).

1.3 Engagement Principles

Council is in the process of developing a comprehensive community engagement framework for its 2022/23 budget process and for the future revision of the 10-year financial plan. For this year, Council has implemented the following consultation process to ensure due consideration and feedback is received from relevant stakeholders.

- a) Draft Financial Plan prepared by management;
- b) Draft Financial Plan placed on public exhibition at the August 2021 Council meeting for a period of 3 weeks and calling for public submissions;
- c) Community engagement is conducted using local news outlets and social media;
- d) Hearing of public submissions to the Financial Plan at the September 2021 Council meeting;
- e) Final Financial Plan, including any revisions, presented to October 2021 Council meeting for adoption.

1.4 Service Performance Principles

Council services are designed to be for purpose, targeted to community needs and value for money. The service performance principles are listed below:

- a) Services are provided in an equitable manner and are responsive to the diverse needs of the community. The Council Plan is designed to identify the key services and projects to be delivered to the community. The Financial Plan provides the mechanism to demonstrate how the service aspirations within the Council Plan may be funded.
- b) Services are accessible to the relevant users within the community.
- c) Council provides quality services that provide value for money to the community. The Local Government Performance Reporting Framework (LGPRF) is designed to communicate Council's performance regarding the provision of quality and efficient services.

1.5 Asset Plan Integration

Integration to the Asset Plan is a key principle of the Council's strategic financial planning principles. The purpose of this integration is designed to ensure that future funding is allocated in a manner that supports service delivery in terms of the plans and the effective management of Council's assets into the future.

The Asset Plan will identify the operational and strategic practices which will ensure that Council manages assets across their life cycle in a financially sustainable manner. The Asset Plan and associated asset management policies will provide Council with a sound base to understand the risk associated with managing its assets for the community's benefit.

The Asset Plan is designed to inform the Financial Plan by identifying the amount of capital renewal, backlog and maintenance funding that is required over the life of each asset category. The level of funding will incorporate knowledge of asset condition and the risk assessment issues, as well as the impact of reviewing and setting intervention and service levels for each asset class.

In addition to identifying the operational and strategic practices that ensure that Council manages assets across their life cycle in a financially sustainable manner, the Asset Plan quantifies the asset portfolio and the financial implications of those practices. Together the Financial Plan and Asset Plan seek to balance projected investment requirements against projected budgets. Council is currently reviewing and updating its asset plan in accordance with the requirements of the *Local Government Act 2020*, and it will be presented to Council in 2022.

2. Financial Plan Context

This section described the context and external/internal environment and consideration in determining the 10-year financial plan projections and assumptions.

2.1 Our Challenges and Opportunities

Golden Plains Shire Council continues to face the following challenges:

- High population growth;
- Increased demand for new services;
- A history of significant dependence on grants, contributions and recoupments;
- Substantial challenges associated with provision and renewal of roads, paths, and community and recreation facilities;
- Supporting community-based Committees of Management that currently manage the vast majority of community and recreation facilities on Council and Crown land;
- Although increasing, still a comparatively low rating revenue base.
- Managing the competing interests of rural and urban communities; and
- Maintaining the extensive road network of more than 1,800 km.

2.2 Council Vision

A healthy, safe, vibrant, prosperous, and sustainable community supported by strong leadership, transparent governance, and community partnerships. Our community – our economy – our pride.

2.3 Strategic Objectives

Our objectives are identified within the Council Plan 2021-25 across five strategic directions that provide the framework for achieving our vision for the future:

Strategic Objective 1: Community

- Safe, resilient, and proud communities
- Celebrating and connecting communities
- Community participation, engagement, and ownership
- Valuing community diversity and inclusion

Strategic Objective 2: Liveability

- Connected and accessible roads, crossings, paths, and transport
- Supporting healthy and active living
- Provide for a diversity lifestyle and housing options
- Attractive and well-maintained infrastructure and public spaces

Strategic Objective 3: Sustainability

- Valuing and protecting nature, cultural heritage, and the environment
- Effective and responsive waste services and education
- Responsibly maintaining and managing natural landscapes and resources
- Mitigating climate change and promoting clean / green technology

Strategic Objective 4: Prosperity

- Education, learning and skill development
- Supporting local producers, agriculture, and business
- Improved options for shopping, hospitality, tourism and events
- Local employment and training
- Partnerships, advocacy, and opportunities for investment

Strategic Objective 5: Leadership

- Information and engagement to involve community in decision making
- Accountable and transparent governance and financial management
- Responsive service delivery supported by systems, resources, and an engaged workforce
- Planning, advocating, and innovating for the future

3. Financial Plan Context

This section describes the context and external/internal environment and consideration in determining the 10-year financial plan projections and assumptions.

3.1 Financial Policy Statements

This section defines the policy statements, and associated measures, that demonstrates Council's financial sustainability to fund the aspirations of the Community Vision and the Council Plan.

Policy Statement	Measure	Target	Forecast Actual										
			2020/21	2021/22	2022/23	2023/24	2024/25	2025/26	2026/27	2027/28	2028/29	2029/30	2030/31
Consistent underlying surplus results	Adjusted underlying result greater than \$0	>\$0	\$0.5m	(\$0.4m)	\$0.5m	\$2.6m	\$4.2m	\$5.2m	\$4.4m	\$4.9m	\$5.5m	\$3.5m	\$4.2m
Ensure Council maintains sufficient working capital to meet its debt obligations as they fall due. Allocate adequate funds towards renewal capital in order to replace assets and infrastructure as they reach the end of their service life. That Council applies loan funding to new capital and maintains total borrowings in line with rate income and growth of the municipality. Council maintains sufficient cash to ensure ongoing liquidity as well as to address unforeseen cash imposts if required. Council generates sufficient revenue from rates plus fees and charges to ensure a consistent funding for new and renewal capital.	Current Assets / Current Liabilities greater than 1.25	>1.25	2.28	1.22	1.52	1.67	2.18	2.06	2.48	2.40	2.90	3.08	3.22
	Asset renewal and upgrade expenses / Depreciation above 70%	>70%	72%	109%	72%	65%	63%	64%	69%	79%	76%	83%	80%
	Total borrowings / Rate revenue to remain below 60%	<60%	53%	46%	50%	41%	48%	39%	45%	36%	41%	29%	28%
	Cash balance > \$8m	>\$8m	\$25m	\$11m	\$12m	\$13m	\$19m	\$17m	\$22m	\$22m	\$27m	\$25m	\$26m
	Capital Outlays as a % of Own Source Revenue to remain above 30%	>30%	52%	63%	49%	43%	42%	35%	33%	34%	33%	32%	30%

3.2 Strategic Actions

Council has identified the following strategic actions that will support the aspirations of the Council Plan.

The strategic actions are included to the 10-year financial plan and, where appropriate, referenced in the commentary associated with the 10-year Comprehensive Income Statement and the 10-year Statement of Capital Works.

- Prioritise the ongoing review of service delivery programs (including review of asset requirements, fees, and charges in respect to subsidised, cost recovery or profit-making, shared services and collaborative procurement)
- Prior to introducing any new or expanded services, Council will affirm that there is an external funding source, or identify the reduction or cessation of services/activities required to allow existing resources to be redirected to the new service
- Implement the asset renewal funding strategy to maintain fit-for-purpose assets for the community as well as reduce the increasing risk and maintenance associated with aging infrastructure
- Set rate revenue at in line with the permitted under the Fair Go Rates framework and Revenue and Rating Plan

3.3 Assumptions to the financial plan statements

This section presents information regarding the assumptions to the Comprehensive Income Statement for the 10 years from 2021/22 to 2030/31. The assumptions comprise the annual escalations/movement for each line item of the Comprehensive Income Statement.

Escalation Factors % movement	2021/22	2022/23	2023/24	2024/25	2025/26	2026/27	2027/28	2028/29	2029/30	2030/31
CPI	1.50%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Growth	2.50%	2.50%	2.50%	4.50%	4.50%	4.50%	4.50%	4.50%	4.50%	4.50%
Rates and charges	1.50%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Statutory fees and fines	1.50%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
User fees	1.50%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Grants - Operating	1.50%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Grants - Capital	1.50%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Contributions - monetary	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%
Contributions - non-monetary	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%	1.50%
Other income	1.50%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Employee costs	1.13%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%
Materials and services	1.50%	2.00%	2.00%	2.00%	2.20%	2.20%	2.20%	2.20%	2.20%	2.20%
Depreciation & Amortisation	2.07%	2.08%	2.09%	2.10%	2.10%	2.10%	2.10%	2.10%	2.10%	2.10%
Other expenses	1.50%	1.50%	1.50%	1.50%	2.00%	2.00%	2.00%	2.00%	2.00%	2.00%

3.3.1 Rates and Charges

The Victorian Government introduced rate capping from 2015 as part of the *Fair Go Rates System*, requiring all councils to limit their annual increase on rates. The rate cap applies to general rates and municipal charges. It does not apply to waste charges or the State Government's fire services property levy.

The rate cap for 2021/22 has been set at 1.5% as approved by the Minister for Local Government in December 2020. The future years' rate cap increases have been based on expected rate increases. The actual rate cap is announced by the Minister for Local Government in December of the preceding year of the budget.

In addition, from 2024/25 an additional 500 properties per annum has been included to reflect the new Bannockburn South residential growth area that in total will provide for approximately 7,000 new properties.

Waste Charges

Waste charges are based on a cost recovery model so that the total cost of providing waste management is covered through the revenue collected through the waste charge.

The State Government's new Recycling Victoria: a new economy is a 10-year plan that will cut pollution and boost economic growth and jobs in Victoria. This new plan will be mandated across all councils in Victoria.

In the future, all Victorians will need to separate their waste into 4 streams so that it is easier to recycle more of the waste. Specific initiatives include:

- By 2030, a new four-bin waste and recycling system will be standard for households across the state.
- By 2022/23, there will be a container deposit scheme in Victoria so the community can swap empty cans and bottles for cash.
- The investment of almost \$100 million to strengthen Victoria's waste and recycling industry – grow the local industry, create local jobs and drive innovation and new technologies.
- Regulate the waste and recycling sector, as an essential service with a new waste and recycling Act and a waste authority – putting an end to illegal and unsafe storage and stockpiling of waste.

Due to these mandated State Government initiatives, Council has estimated that the waste charge will need to increase by approximately 35% in both 2023/24 and 2024/25 year to fund these requirements. This will result in the waste charge increasing by approximately \$150 per annum to around \$700 by 2025/26.

This increase is outside of Council's control, but local government will be working with State Government on ways to reduce the impact on ratepayers.

3.3.2 Statutory Fees and Fines

The Financial Plan indexes statutory fees, set by legislation, according on the estimated annual rate of CPI. This is often a best-case scenario given some fees are outside of the control by Council and therefore may be subject to increases less than CPI.

3.3.3 User Fees

Revenue from user fees have been forecast to increase by 1.5% for the 2022/23 year which is in line with the forecasted rate cap. Details of user fees for the 2021/22 budget year can be found in Council's schedule of Fees and Charges that is adopted in conjunction with the budget.

Revenue increases from the 2025/26 years onward are based on a conservative annual rate of increase of 2.0% to reflect, as a minimum, annual increases in line with the state government rate cap.

3.3.4 Grants

Council currently receives grants for tied (specific purpose grants) and un-tied Financial Assistance grant funding received via the Victorian Local Government Grants Commission (VLGGC). Operating grants are expected to increase on an annual basis by the CPI rate which is expected to also align to the state government set rate cap.

3.3.5 Contributions

Council receives contributions from developers. These contributions represent funds to enable council to provide the necessary infrastructure and infrastructure improvements to accommodate development growth. The contributions are for specific purposes and often require Council to outlay funds for infrastructure works often before receipt of this income source. These contributions are statutory contributions and are transferred to a restricted reserve until utilised for a specific purpose through the capital works program or delivered as works in-kind by developers.

3.3.6 Other income

Revenue from other income mainly comprises investment income plus the recovery income from a variety of sources and rental income received from the hire of Council buildings.

Windfarm Income

Golden Plains Shire Council currently receives windfarm income from the Mt Mercer Wind Farm and also the Berrybank Wind Farm. The Financial plan also includes forecasted income from stage 2 of the Berrybank Wind Farm expected in 2023/24 and from 2024/25 income has been forecast from the Golden Plains Wind Farm that is planned for construction near Rokewood. An estimated \$1.3M in windfarm income has been included from 2027/28.

Sale of Land Income

Council has identified surplus land across the Shire that has the opportunity to be developed for subdivisions to assist Council with its financial sustainability in future years as well as continue to drive economic growth across the Shire. Three pockets of land have been set aside for development with the income from the land sales included in the Financial Plan. These include Lomandra Drive, Teesdale which is a 37-lot subdivision with an expected total profit of approximately \$9M. Taylor Street, Smythesdale which is a 6,500 Sqm lot of land that could be subdivided into potentially 8 lots at total profit of \$16.M and is forecast to be received in 2023/24 and 2024/25. The third land holding is in the northern part of the Bannockburn Recreation Precinct and is approximately 3.5 hectares. Income from this development has been forecast to be received from 2025/26. It is important to note that income received from both the Smythesdale and Bannockburn recreation precinct will be transferred to dedicated reserves (**refer to 5.2.1 Current reserves**).

3.3.7 Employee costs

Employee costs are one of the largest expenditure items as our resources are required to deliver services that are supporting our community and meeting organisation and legislative requirements. Employee costs include a combination of direct wages and salaries, on-costs such as superannuation, Workcover, leave entitlements, training and temporary staff arrangements.

The 2021/22 year includes a 1.13% increase for employee costs that mainly reflects the salary increase for all staff pursuant to the Enterprise Bargaining Agreement. The number of staff decreased in 2021/22 from 202/21 due to the transition of the early learning children services long daycare service being outsourced to a private provider and the completion of the Working For Victoria State Government initiative.

The ensuing years, from 2022/23 to 2030/31, reflect annual increases of 1.5% per annum to provide for annual EBA increases, and an extra 4 to 6 FTE to support the growing needs of the Shire and continue to maintain the services Council provides to the community as the customer base grows.

3.3.8 Materials and services

Material costs include items required for the maintenance and repairs of Council buildings, roads, drains and footpaths which are more governed by market forces based on availability than CPI. Other associated costs included under this category are utilities, materials for the supply of meals on wheels and consumable items for a range of services. Council also utilises external expertise on a range of matters, including legal services and audit. These costs are kept to within CPI levels year-on-year.

3.3.9 Depreciation & Amortisation

Depreciation estimates have been based on the projected capital spending contained within the 10-year capital program as outlined in the plan. Depreciation has been further increased by the indexing of the replacement cost of Council's fixed assets.

3.3.10 Borrowing costs

Borrowing costs comprise the interest expense to service Council's loan portfolio that is described in Section 5.1 Borrowing Plan.

3.3.11 Other expenses

Other expenses include administration costs such as Councillor allowances, election costs, sponsorships, partnerships, community grants, lease expenditure, fire services property levy, audit costs and other costs associated with the day to day running of Council.

3.4 Other Matters impacting the 10-year financial projections

Description of the current challenges and expected future events likely to impact the Financial Plan projections.

- Lower rate environment: The overall financial impact of the lower rate environment is impacting Council's ability to fund the asset renewal gap and provide value adding services. It will be integral for Council to review its current services and prioritise based cost/benefit analysis.
- New Local Government Act 2020: The requirement for Asset Management Planning will be better informed by new deliberative engagement. The opportunity to consider service demand versus service level provided and managing asset renewals.
- COVID-19 impact: As the economy recovers from this pandemic our community will continue to recover from these challenges. Council will continue to support the community and businesses where possible and provide assistance. Council will also consider how we can learn from this period of time and how technology can assist in bringing the community together through digital means.

4. Financial Plan Statements

This section presents information regarding the Financial Plan Statements for the 10 years from 2021/22 to 2030/31.

- Comprehensive Income Statement
- Balance Sheet
- Statement of Changes in Equity
- Statement of Cash Flows
- Statement of Capital Works
- Statement of Human Resources

Financial Performance Indicators

The following table highlights Council's projected performance across a range of key financial performance indicators. These indicators provide an analysis of Council's 10-year financial projections and should be interpreted in the context of the organisations' objectives and financial management principles.

Indicator	Measure	Notes	Forecast Actual											
			2020/21	2021/22	2022/23	2023/24	2024/25	2025/26	2026/27	2027/28	2028/29	2029/30	2030/31	
Operating position														
Adjusted underlying result	Adjusted underlying surplus (deficit) / Adjusted underlying revenue	1	2%	(0.90%)	1%	7%	10%	12%	10%	11%	11%	7%	8%	
Liquidity														
Working Capital	Current assets / current liabilities	2	228%	122%	152%	168%	219%	206%	248%	240%	290%	308%	323%	
Unrestricted cash	Unrestricted cash / current liabilities	3	35%	77%	8%	18%	75%	44%	87%	79%	125%	147%	162%	
Obligations														
Loans and borrowings	Interest bearing loans and borrowings / rate revenue	4	54%	46%	50%	41%	48%	39%	45%	36%	40%	29%	28%	
Loans and borrowings	Interest and principal repayments on interest bearing loans and borrowings / rate revenue		6%	7%	5%	6%	5%	7%	6%	7%	7%	10%	5%

Notes to Indicators

1. *Adjusted underlying result* - An indicator of the sustainable operating result required to enable Council to continue to provide core services and meet its objectives.
2. *Working Capital* - The proportion of current liabilities represented by current assets. Working capital is forecast to remain at sustainable levels during the financial planning period.
3. *Unrestricted Cash* - The proportion of current liabilities represented by cash that is available for discretionary use. The cash balance is comprised of funds that are committed to pay obligations such as employee entitlement payments and restricted reserves, and cash available for discretionary use.
4. *Debt compared to rates* - The proportion of rate revenue to the total debt balance. Total debt is declining over the financial planning period.
5. *Asset renewal* - This percentage indicates the extent of Council renewals against its depreciation charge (an indication of the decline in value of its existing capital assets). A percentage greater than 100 indicates Council is maintaining its existing assets, while a percentage less than 100 means its assets are deteriorating faster than they are being renewed and future capital expenditure will be required to renew assets.
6. *Rates concentration* - Reflects extent of reliance on rate revenues to fund all of Council's ongoing services. The current ratio indicates that Council's reliance on government funding has diminished and this balance is expected to remain steady over the financial planning period. It will be very difficult to improve this ratio within a rate capping environment.

Adjusted Underlying Result

The following table shows how the adjusted underlying result has been calculated.

	Forecast / Actual										
	2020/21	2021/22	2022/23	2023/24	2024/25	2025/26	2026/27	2027/28	2028/29	2029/30	2030/31

Strategies and Plans

This section describes the strategies and plans that support the 10-year financial projections included to the Financial Plan.

6.1 Borrowing Strategy

6.1.1 Current Debt Position

The total amount borrowed as at 30 June 2021 is \$13.2 million.

Council has accessed debt funding to complete a range of major infrastructure and at this point in time, has not included any additional borrowings for projects.

6.1.2 Future Borrowing Requirements

The following table highlights Council's projected loan balance, including new loans and loan repayments for the 10 years of the Financial Plan

	Forecast / Actual 2020/21	2021/22	2022/23	2023/24	2024/25	2025/26	2026/27	2027/28	2028/29	2029/30	2030/31
	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000
Opening balance	14030	13254	11835	13164	11591	14783	12572	15253	12699	14920	11202
Plus New loans	600	0	2394	0	4805	0	4805	0	4805	0	0
Less Principal repayment	(1,376)	(1,419)	(1,065)	(1,573)	(1,613)	(2,211)	(2,124)	(2,554)	(2,584)	(3,718)	0
Closing balance	13254	11835	13164	11591	14783	12572	15253	12699	14920	11202	11202
Interest payment	(291)	(271)	(319)	(324)	(407)	(471)	(526)	(569)	(603)	(620)	(620)

6.1.3 Performance Indicators

The following table highlights Council's projected performance across a range of debt management performance indicators.

Performance Indicator	Target	Forecast /Actual										
		2020/21	2021/22	2022/23	2023/24	2024/25	2025/26	2026/27	2027/28	2028/29	2029/30	2030/31
		%	%	%	%	%	%	%	%	%	%	%
Total borrowings / Rate revenue	Below 60%	54%	46%	50%	41%	48%	39%	45%	36%	40%	29%	28%
Debt servicing / Rate revenue	Below 10%	7%	7%	5%	7%	7%	8%	8%	9%	9%	10%	2%
Indebtedness / Own source revenue	Below 60%	42%	34%	39%	31%	37%	30%	35%	28%	32%	24%	23%

Council maintains its loan borrowing within prudent and management limits as demonstrated by the following performance indicators.

Total Borrowings / Rate Revenue

The total borrowings ratio remains lower than the target of below 60% over the life of the Financial Plan.

Debt Servicing / Rate Revenue

The debt servicing ratio reflect the principal and interest repayment obligations of Council which remains within the target over the life of the Financial Plan.

Indebtedness / Own Source Revenue

The indebtedness ratio is below the target of 60% over the life of the Financial Plan.

6.2 Reserves Strategy

6.2.1 Current Reserves

Public Open Space Reserve

- Purpose - The Open Space Reserve holds funds contributed by developers for works associated with developing and improved public open space and recreational facilities within Council. Funds are contributed in accordance with Section 18 of the Subdivision Act and transfers are restricted to the purpose of creating open space such as parks, playgrounds, pavilions and other such items where it is deemed that these works should occur at a later point than the initial development.
- Movements - Transfers to the reserve (inflows) comprise contribution income from subdividers in lieu of the 5.0% Public Open Space requirement. Transfers from the reserve (outflows) are applied to fund Open Space capital projects on an annual basis.

Development Contributions Reserve

- Purpose – This reserve retains funds received from developers for infrastructure provision related to Council's Development Contributions Plans. Council has two (2) Development Contribution Plans with currently two reserves established to manage levy income contributed by developers. Development Contribution Plan reserves were introduced to manage proceeds from the recently adopted Precinct Structure Plans within the district A and district B within the municipality.
- Movements – Transfers from this reserve will be for nominated capital works for Development Infrastructure projects and Community Infrastructure projects. These funds are tied directly to the income received or cash funds refunded to developers for capital works completed directly by the developer.

Waste Management Reserve

- The waste management reserve funds relate to the waste management charges collected from customers less the associated waste management expenses, therefore represent the surplus generated from providing waste management services. The funds are committed to future waste management expenses including the rehabilitation of Council's two landfill sites and also to offset any increase in recycling disposal costs.

Recreational Future Fund

- Council has established a dedicated Recreational Future Fund (Reserve) so that nett profits from the sale of the land or any residential development is set aside to enable future recreational improvements across the Shire.

Community Roads and Infrastructure Future Fund

- Council has established a dedicated Community Roads and Infrastructure Future Fund (Reserve) so that nett profits from the sale of land or any residential development is set aside for future development or purchases across the Shire.

6.2.2 Reserve Usage Projections

The table below discloses the balance and annual movement for each reserve over the 10-year life of the Financial Plan. Total amount of reserves, for each year, is to align with the Statement of Changes in Equity.

Restricted reserves are to be included to the disclosure of restricted cash assets.

Reserves	Restricted / Discretionary	2020-21	2021-22	2022-23	2023-24	2024-25	2025-26	2026-27	2027-28	2028-29	2029-30	2030-31
