

MOBILE BLACK SPOT PROGRAM OPEN

Round 4 of the Federal Government's Mobile Black Spot Program is now open, with funding for new mobile phone towers available.

Councils are invited to nominate mobile black spots on behalf of their communities by the 11 October 2018. Members of the public are encouraged to report mobile black spots to Council and their Federal representatives. For more information or to report a mobile black spot, contact Helena Charles, Senior Economic Development Officer at helena.charles@gplains.vic.gov.au or call 03 5220 7111 and see the Mobile Black Spot Program website by visiting communications.gov.au – search for 'mobile black spot program'.

HOW DO YOU CONNECT WITH COUNCIL?

Don't miss your chance to help shape Council's new Communications and Marketing Strategy 2019-21 by attending our remaining conversation post or workshops and filling out a short online survey.

Council will hold a conversation post at the next Golden Plains Farmers' Market on Saturday 6 October to hear your thoughts on how we can connect better with the community, and we will hold a community workshop afterwards. We also have an online survey that closes on 12 October 2018 – we want to hear from you, so please visit goldenplains.vic.gov.au/consultations/connecting-council for more details.

WALK, RIDE OR SCOOT TO SCHOOL!

Council would like to remind all primary school children and their families that October is Walk To School month!

VicHealth's Walk to School program encourages Victorian primary school kids to walk, ride or scoot to and from school. Council will work with local primary schools to deliver a range of activities to encourage more families to walk to school, thanks to funding of \$10,000 from VicHealth.

Walking part way, at home or at school are all options to get involved for those who cannot walk to school. Find out more by visiting goldenplains.vic.gov.au/residents/my-family/health-and-wellbeing#Walk.
