EDIBLE GARDENS WEBINARS

Learn how to grow an edible garden.

Local residents are invited to join a free webinar series with Craig Castree, a qualified horticulturist with 45 years of experience. The Zoom webinars are suitable for beginners and those wishing to improve their gardening skills, and will take place on 4, 11 and 18 August at 6.30pm.

To register, visit goldenplains.vic.gov.au/edible-gardens or email **GPSHealthandWellbeing@gplains.vic.gov.au**.

POOL & SPA REGISTRATION

Register your pool or spa before 1 August.

In 2019, the Victorian Government introduced new pool and spa safety laws, requiring all property owners to register their pool or spa with their local Council by November last year.

If you recently received a letter from Council and have yet to register your pool or spa, please complete your registration by 1 August 2021. For more information, visit **goldenplains.vic.gov.au/pool-registration** or call 5220 7111.

RECYCLING TIP: NO PLASTIC BAGS

Plastic bags cannot be recycled in your recycling bin.

Plastic bags are still the most common form of contamination in recycling bins in Golden Plains Shire.

Keep your recyclables loose and place all bagged material in the rubbish bin. Thank you to everyone who has been keeping their recycling bins free of plastic bags.

To read more about recycling, including what can and can't go in your yellow bin, visit **goldenplains.vic.gov.au/recycling**.
