

Council has launched a new online resource hub dedicated to inspiring local families to grow and cook with more vegetables: Golden Growers.

The Golden Growers page will feature a series of 'how to' videos and resources showcasing tips and tricks on growing, preparing and cooking with a range of vegetables, recipes, and content, all submitted by community members and Council's partner organisations.

Council is calling on local growers to share their gardening knowledge, tips and ideas to help others in the community improve their access to affordable vegetables by growing their own. As part of the project, residents are invited to complete a short survey to help shape future content on the Golden Growers page.

The Golden Growers page and survey can be found at goldenplains.vic.gov.au/goldengrowers

CORONAVIRUS UPDATE

While Golden Plains Shire is not included in the reintroduction of Stage 3 restrictions in Greater Melbourne, it is a reminder that we are not through the COVID-19 pandemic yet.

Council encourages all residents to continue following the health advice and restrictions from the Department of Health and Human Services. Please keep up the good work locally by:

- Observing 1.5m of physical distancing from others;
- Washing hands regularly; and
- Getting tested and staying home if you feel unwell.

For the latest health and restriction advice, as well as how to find the closest testing location, please visit dhs.vic.gov.au/coronavirus or call the COVID-19 hotline on 1800 675 398.

While a number of Council and community services have resumed, including Customer Service and library services, visitors are requested to follow the health and hygiene instructions of staff.

This information is current as of 13 July 2020. For up-to-date information on the status of Council's services, operations and events, visit goldenplains.vic.gov.au/coronavirus, or follow Council on social media.
